

Diagnosis	Procedure
accesory navicular	Kinder procedure
achilles tendinopathy	secondary repair achilles tendon with allograft bone block
achilles tendinopathy	secondary repair achilles tendon with graft jacket
Achilles tendinopathy	secondary repair Achilles tendon, excision of calcaneal bone spur
achilles tendon tear	repair achilles tendon with arthrex speed bridge
achilles tendon tear	repair Achilles tendon with graft jacket
ankle absecess	I and ankle deep abscess
ankle AO	ankle debridement
ankle AO	ankle fusion with IM nail
ankle AO	total ankle replacement InBone 2
ankle AO	total ankle replacement InBone 2
ankle Fx	ORIF fibular fracture
ankle instability	brostrom procedure
ankle instability	lateral ankle ligament reconstruction with allograft
ankle instability	lateral ankle ligament reconstruction with allograft
ankle laxity	secondary repair ankle collateral ligaments with graft
ankle malunion	ankle fusion
ankle OA	ankle arthrodesis
ankle OA	ankle arthrodesis with IM nail
ankle OA	ankle debridement
ankle OA	ankle fusion
ankle OA	ankle fusion subtalar fusion with IM nail
ankle OA	ankle fusion with IM nail
ankle OA	ankle fusion, posterior approach
ankle OA	arthroscopy of the ankle with debridement
ankle OA	total ankle replacement Cadence ankle
ankle OA	total ankle replacement InBone 2
ankle OA	total ankle replacement InBone 2, adaptis talus
ankle OA	total ankle replacement InBone 2, fibular osteotomy
ankle OA	total ankle replacement infinity
ankle OA	total ankle replacement infinity prophecy
ankle OA	total ankle replacement infinity prophecy adaptis
ankle OA	total ankle replacement invision
ankle OA	total ankle replacement Kinoss Axiom
ankle OA	total ankle replacement Salto Talaris
ankle OA	total ankle replacement with infinity prophecy
ankle OA	total ankle replacement InBone 2
ankle OA varus	ankle fusion subtalar fusion with IM nail
ankle OA varus	total ankle replacement InBone 2 with distal tibial osteotomy
ankle OA, valgus	ankle fusion with IM nail
ankle valgus	tibial osteotomy
ankle varus OA	calcaneal osteotomy
ankle varus OA	tibia and fibular osteotomy
Ankle, subtalar OA	ankle fusion with IM nail
antibiotic spacer	antibiotic cement spacer exchange
AVN 2nd metatarsal head	open osteochondral allo grafting metatarsal head
AVN talus	total ankle replacement InBone 2 with custom talus
balistic talus fracture	ORIF talus, pilon
bilateral calaneus fx	application of external fixator
bilateral pilon fx	remove external fixator
bimalleolar ankle fracture	ORIF bimalleolar ankle fx

bimalleolar ankle fracture	ORIF fibular fracture, syndesmosis
bimalleolar ankle fracture	ORIF posterior malleolus
bone spur achilles tendon	reconstruction Achilles tendon with allgoraft bone block
bone spur heel	partial excision of calcaneus
broken cartiva	revision cartiva, great toe
broken screw	remove deep implant
Bunionette	bunionette procedure
calcaneus	ORIF calcaneus
calcaneus fracture	application of external fixator
calcaneus fracture	ORIF calca
calcaneus fracture	ORIF calcaneus
calcaneus fracture	ORIF calcaneus fracture
calcaneus malunion	midfoot fusion
calcaneus osteomyelitis	Debridement and removal of hardware
calcaneus osteomyelitis	partial excision of calcaneus
cement spacer	revision total ankle replacement InBOne 2
charcot ankle	below knee amputation
charcot ankle	pantalar arthrodesis
charcot ankle	pantalar fusion
charcot foot	below knee amputation
charcot foot	midfoot fusion
charcot foot	partial excision of cuboid
chronic Achilles tear	Secondary repair achilles tendon and FHL tendon transfer
chronic Achilles tear	secondary repair achilles tendon with allograft bone block
chronic ankle bimalleolar ankle fx	tibiotalar, subtalar fusion with IM nail and plate
chronic osteomyelitis	below knee amputation
club foot	pes cavus repair
continued infection	repeat I and D
CRPS	below knee amputation
crush leg	below knee amputation
cuboid fracture	ORIF cuboid
deep implants	Remove deep implants
deltoid ligament tear	reconstruction deltoid ligament
devered deformity	below knee amputation
Diabetes with osteo	below knee amputation
diabetic ulcer	below knee amputation
dislocated calcaneus	subtalar fusion, calcaneal osteotomy
dislocated toe	amptuation toe at the MTP joint
dislocated toe	ORIF MTP dislocation
dislocating peroneal tendons	repair dislocating peroneal tendons with fibular osteotomy
disruption of surgical wound	I and D ankle deep abcess
dome fracture of talus	ankle arthroscopy
drop foot	posterior tibial tendon transfer to foot dorsum
equinovarus foot	medial capsular release, PTT lengthening
exostosis foot	partial excision of metatarsal
failed Agility	revision total ankle replacement (poly change)
failed Agility	revision total ankle replacement In Bone 2
failed Agility	revision total ankle replacement InBone Ankle system, custom talus
failed Agility	revision total ankle replacement Invision Ankle system
failed Agility	revision total ankle replacement Invision Ankle system, custom talus
failed Agility	total ankle replacement inversion
failed ankle allograft	total ankle replacement infinity prophecy adaptis

failed Cadence ankle	revision total ankle replacement Invision Ankle system
failed Cartiva	revise Cartiva
failed cartiva	revision cartiva, great toe
failed InBone ankle	revision total ankle replacement InBone 2
failed InBone ankle	revision total ankle replacement InBone Ankle system, custom talus
failed InBone ankle	revision total ankle with Inbone 2
failed Salto ankle	Deltoid ligament reconstruction, explant, cement spacer
failed Salto ankle	revision total ankle replacement Invision Ankle system
failed Salto ankle	revision total ankle replacement Invision Ankle system, custom talus
failed STAR ankle	revision total ankle replacement In Bone 2
failed STAR ankle	revision total ankle replacement Invision Ankle system
failed STAR ankle	revision total ankle replacement with Invision
failed STAR ankle	revision total ankle with Inbone 2
failure of fixation	total ankle revision with Invision, custom metal talus
fibula fracture	revision midfoot fusion
fibular bone spur	ORIF fibular fracture
fibular fracture	partial excision of fibula
fibular fracture	ORIF fibular fracture
flail foot	ORIF fibular fracture, syndesmosis
flat foot	subtalar arthrodesis
flat foot	calcaneal osteotomy, tendon transfer
foot crush	flat foot repair
foot drop	ORIF Lisfranc's fx
foot ulcer	posterior tibial tendon transfer to foot dorsum
forefoot crush	below knee amputation
forefoot infection	transmetatarsal amputation
forefoot supination	transmetatarsal amputation
fracture at TTC nail	midfoot fusion
fracture of proximal phalanx, hallux	IM rodding of tibia fracture
gangrene	ORIF proximal phalanx fracture
gastro equinus	below knee amputation
great toe fracture	Gastroc recesssion
GSW to right foot	ORIF great toe fx
Haglund's	midfoot fusion with custom prosthesis
haglund's	partial excision of calcaneus
Haglund's	secondary repair achilles tendon with allograft bone block
hallux IP arthritis	secondary repair Achilles tendon, excision of calcaneal bone spur
hallux rigidus	great toe arthrodesis at the IP joint
hallux rigidus	arthrodesis of the great toe at the MTP joint
hallux rigidus	arthrodesis of the great toe at the MTP joint with bone block
hallux rigidus	Cartiva implant, hallux MTP
hallux rigidus	cartiva implant, hallux MTP, moberg osteotomy
hallux rigidus	cheilectomy
hallux rigidus	great toe arthrodesis at the MTP joint
hallux rigidus	open osteochondral grafting metatarsal head
hallux rigidus	total joint replacement of great toe
hallux valgus	chevron bunionectomy
hallux valgus	double osteotomy
hallux valgus	Lapidus bunionectomy
hallux valgus	lapidus bunionectomy and hammertoes
hallux valus, hammertoes	great toe arthrodesis at the MTP joint
hammertoes	correct hammertoes

hammertoes	repair hammertoes
hindfoot OA	subtalar arthrodesis
hindfoot OA	subtalar fusion, TN fusion
hypertrophy peroneal tubercle	partial excision of calcaneus
infected Achilles tendon	I and D achilles tendon
infected ankle replacement	I and ankle, antibiotic cement spacer
infected ankle replacement	removal of ankle implant, cement spacer
infected BKA	re-amputation of leg
infected BKA	re-amputation
infected calcaneus	I and D ankle, removal of deep implants
infected calcaneus	I and D calcaneus
infected calcaneus	I and D calcaneus and hardware removal
infected calcaneus	Remove deep implants
infected cement spacer	I and D ankle, insertion of antibiotic cement
infected foot	I and Bone cortex
infected hardware	removal of deep implants
infected hardware	remove deep implant
infected peroneal tendons	I and ankle deep abscess
infected total ankle prosthesis	ankle fusion with IM nail and custom cage
infection and inflammatory reaction t	I and D foot, removal of deep implant
infectious tenosynovitis	open biopsy
intected tibial nail	remove deep implants
intection and inflammatory reaction t	Remove deep implants
ischemic leg	below knee amputation
Jones fracture	percutaneous skeletal fixation metatarsal
jones fracture nonunion	percutaneous skeletal fixation metatarsal
lateral malleolar fracture	ORIF lateral malleolus
lateral process talus fracture	ORIF lateral process of the talus
lateral process talus fracture	ORIF talus fracture
Lis Franc's fx	ORIF lis franc's fx
Lisfranc's fracture	Lisfranc's fusion
lisfranc's fracture	midfoot fusion
Lisfranc's fracture	ORIF Lis franc's fx
Maisonneuve's fracture	ORIF ankle fracture
malunion calcaneal osteotomy	revision calcaneal osteotomy
Malunion tibia	osteotomy tibia and fibula
malunion tibia	tibial osteotomy, ankle, subtalar fusion
malunited ankle fusion	revision ankle fusion
malunited ankle fusion	tibial osteotomy
malunited pilon fracture	ankle subtalar fusion with IM nail
Malunited pilon fracture	Application of Max frame
mechanically loose total ankle	revision total ankle replacement Invision Ankle system
medial malleolus fracture	ORIF medial malleolus
meta	ORIF metatarsal fracture
metatarsal fracture	ORIF metatarsal fracture
metatarsalgia	1st TMT fusion
metatarsalgia	2nd metatarsal osteotomy
metatarsalgia	metatarsal osteotomies
metatarsalgia	metatarsal shortening osteotomies
midfoot OA	midfoot fusion
midfoot OA	subtalar fusion, TN fusion
morton's neuroma	excision morton's neuroma

multiple metatarsal fractures	ORIF metatarsal fracture
multiple toe fractures	ORIF toe fractures
mutiple metatarsal fractures	ORIF metatarsal fracture
necrotic foot	syne amputation
nonunion ankle allograft	revision open osteochondral allografting, talus
nonunion ankle fusion	ankle fusion subtalar fusion with IM nail
nonunion ankle fusion	revision ankle fusion
nonunion calcaneus	repair nonunion of calcaneus
nonunion distal tib/fib joint	fusion distal tib/fib joint
nonunion fibula	repair nonunion fibula
nonunion great toe fusion	revision great toe MTP fusion
nonunion hallux fusion	great toe arthrodesis at the MTP joint
nonunion Lapidus	revision lapidus bunionectomy
nonunion metatarsal	repair nonunion metatarsal with bone graft
nonunion midfoot	repair nonunion midfoot
nonunion midfoot	revision midfoot fusion
nonunion midfoot	triple arthrodesis
nonunion pilon fx with infection	I and D deep abscess ankle
nonunion sesamoid	sesamoidectomy
nonunion subtalar joint	revision subtalar fusion
nonunion subtalar joint	subtalar arthrodesis
nonunion subtalar joint	subtalar fusion, TN fusion
nonunion talar dome fx	ankle debridement
nonunion tibia fracture	repair nonunion tibia
nonunion tibia fracture	repair nonunion tibia with graft
nonunion tibial pilon fracture	repair tibial nonunion with graft
nonunion TMT joint	revision tmt arthrodesis
nonunion TN joint	revision TN arthrodesis
nonunion TTC fusion	revision TTC fusion with custom cage and nail
OCD 2nd metatarsal head	open osteochondral auto grafting metatarsal head
OCD talus	ankle arthroscopy
OCD talus	open osteochondral allo grafting talus
open calcaneus fx	application of external fixator
open calcaneus fx	ORIF calcaneus
open pilon fx	below knee amputation
osteomyelitis ankle	below knee amputation
osteomyelitis ankle	below knee amputation
osteomyelitis ankle	I and D ankle, insertion of antibiotic cement
osteomyelitis calcaneus	below knee amputation
osteomyelitis fibula	partial excision of fibula
osteomyelitis foot	amputation metatarsal with toe
osteomyelitis foot	below knee amputation
osteomyelitis foot	Exchange antibiotic nail
osteomyelitis foot	incision, bone cortex
osteomyelitis tibia	removal with reinsertion of antibiotic cement spacer
painful ankle fusion	ankle fusion takedown and total ankle replacement
painful ankle fusion	total ankle replacement InBone 2 with prophecy
painful hardware	partial excision of calcaneus
painful hardware	Remove deep implants
painful total ankle	ankle debridement
periprosthetic osteolysis	revision total ankle replacement (poly change)
periprosthetic osteolysis	revision total ankle replacement (poly change)

peroneal tendon dislocation	repair dislocating peroneal tendons
peroneal tendon tear	calcaneal osteotomy
peroneal tendon tear	FHL tendon transfer
peroneal tendon tear	FHL tendont transfer
peroneal tendon tear	repair peroneal tendon
peroneal tendon tear	transfer of the peroneus longus to peroneus brevis, calc osteotomy
peroneal tendon tear	transfer peroneus brevis to peroneus longus
persistant fistula foot	remove deep implants
persistant fistula foot	scar revision
pes cavovarus	ankle fusion, calcaneal osteotomy
pes cavus	calcaneal osteotomy, tendon transfer
pes cavus	midfoot fusion
pes cavus	midfoot fusion
pes cavus	pes cavus repair
pes cavus	pes cavus repair, with lateral ankle ligaments
pes cavus	pres cavus repair
pes cavus	subtalar fusion, TN fusion
pes cavus	triple arthrodesis
pes cavus	triple arthrodesis
pes cavus	triple arthrodesis
pes cavus, peroneal tendon tear	FHL tendon transfer, calcaneal osteotomy
pes planus	calcaneal osteotomy
pes planus	flat foot repair
pes planus	midfoot fusion with midfoot osteotomy
pes planus	subtalar fusion, TN fusion
pes planus	triple arthrodesis
pilon fracture	ORIF pilon and ankle fusion
pilon fracture	ORIF pilon fracture
pilon fracture	Orif pilon fracture
pilon fx	external fixation, close reduce
pilon fx	ORIF pilon fracture with ankle arthrodesis
plantar fasciitis	radical resection plantar fascia
poly wear Agility ankle	revision total ankle replacement (poly change)
polywear Agilty ankle	revision total ankle (poly exchange)
polywear Agilty ankle	revision total ankle replacement (poly change)
polywear InBone ankle	revision total ankle replacement (poly change)
post op infection	I and ankle deep abscess
post op infection	I and D ankle deep abscess
post op infection	I and D ankle, insertion of antibiotic cement
post op infection	I and D calcaneus
posterior talus fracture	ORIF talus fracture
postop infection	I and ankle deep abscess
prominent implant	debridment of implant
RA ankle	total ankle replacement InBone 2
RA foot	midfoot fusion
RA TN joint	talonavicular fusion
recurrent hallux valgus	Lapidus bunionectomy
recurrent hammertoes	hammertoe repairs
right foot crush	ORIF lisfranc's fx
rupture tibialis anterior	repair tibialis anterior with graft
sequale compartment syndrome	below knee amputation
sesamoiditis	sesamoidectomy

subtalar nonunion	revision subtalar fusion
subtalar nonunion	revision subtalar fusion with Nail, RIA
subtalar nonunion	subtalar arthrodesis
subtalar OA	subtalar fusion
syndesmosis disruption	ORIF syndesmosis
talar AVN	revision total ankle replacement Invision Ankle system, custom talus
talar AVN	total ankle replacement Cadence ankle
talar AVN	total ankle replacement InBone 2 with custom talus
talonavicular OA	talonavicular fusion
Talus fracture	ORIF talus dome fracture
talus fracture	ORIF talus dome fracture
talus OCD	ankle arthroscopy
talus OCD	open osteochondral allografting talus
tibia fracture	ORIF tibial shaft fracture
tibial malunion	tibia and fibular osteotomy
TN arthritis	subtalar fusion, TN fusion
TN arthritis	talonavicular fusion
TN arthritis	TN fusion
trimalleolar ankle fracture	ORIF trimalleolar ankle fracture
valgus ankle	osteotomy tibia and fibula
varus hindfoot	revision subtalar fusion
wound dehiscence	I and D ankle deep abcess
wound dehiscence	I and D ankle, wound vac
wound dehiscence	re-amputation of leg
wound dehiscence	secondary closure of wound
wound necrosis	above knee amputation
